Resolution Number 2014- 03

- Whereas,** The Leech Lake Band of Ojibwe Housing Authority Board of Commissioners ("BOC") is the tribally designated governing body to oversee the affairs of the Leech Lake Housing Authority ("LLHA"); and
- Whereas,** The LLHA BOC is committed to providing and developing housing programs and initiatives that best serve the needs and interests of its constituents; and
- Whereas,** The LLHA under its own authority has adopted a mission statement: "The mission of the Leech Lake Reservation Housing Authority is to develop affordable homes and housing opportunities for all Indian families on the Leech Lake Reservation, to provide efficient/sensitive services that lead to self-sufficient tenant/homeowners and healthy safe communities"; and
- Whereas,** The LLHA BOC has the authority to increase rent as they see fit and they have not increased the rent in the past two years; and
- Whereas,** In the last two years utility bills have escalated, taxes have risen, and the cost of maintenance and repairs has dramatically increased all while federal funding has decreased.
- Now Therefore Be It Resolved,** Rent shall be increased by \$25.00 per rental unit and shall apply to all LLHA residents; and
